

# SURPLUS OFFER OF NURSERY STOCK

## *Highlands Nursery*

### Hardy American Plants

HARLAN P. KELSEY, PROPRIETOR

6 Beacon Street, Boston, Mass.

SHIPMENTS WILL BE MADE FROM PINEOLA, NORTH CAROLINA, FREIGHT STATION

The below nursery-grown stock is offered at prices attached, for immediate orders in not less than one hundred of a kind, unless smaller quantity is offered. As these prices are made to dispose of a surplus, mostly of trees which I do not intend to carry in large sizes in the future, the prices are made conditional on immediate acceptance, although stock may be engaged for shipment next spring. Boxing charged at cost. Prices subject to stock being sold.
